2016 Roadshow

Stafford had one of the best Roadshow seasons in recent memory. We brought the show to eight different locations and played to some jam packed crowds. Congrats to the Digital Arts, Music, and Video programs for all the setting up, breaking down, and in general for making everything awesome!

Recruitment, recruitment, recruitment...

You all remember those three days of touring where students from across all our sending schools visited? Below are some great photos and videos from this year.

[Click Here](#) for photos from across all three days.

[Click Here](#) for some great videos.

[Click Here](#) for a funny little video from all three days.

Apply today.

Know somebody who would be the perfect candidate for a Stafford program? Have them apply online today, or better yet download an application for them today!
